President's Report 27/09/2023

Dear Club Members,

We were really pleased to have our friends from the Rotary Club of Redcliffe Sunrise attend our meeting last week. We were able to discuss together the signage quotes and ideas for the updating of the signs at Redcliffe Rotary Park, with positive outcomes. Our friend Vivien Harris presented a talk on her book "Cribb Island - New Perspectives and old stories". We all enjoyed hearing about the old Brisbane Suburb and it's history! Thanks again Vivien.

## Trivia and Fun Facts on this day 27<sup>th</sup> September

In 1905, **Montague M. Bear**, an engraver and member of the Rotary Club of Chicago, sketched a wagon wheel with 13 spokes as a club emblem. When fellow club members began to complain that the design was static and lifeless, Bear added flourishes that made the wheel appear to ride on a bed of clouds.
