PRESIDENT'S MESSAGE
Rotary

Dear Club Members,

Our guest speaker last Wednesday was Carmel Riethmuller from Chameleon Housing. When the floods hit Brisbane in February 2022, Carmel and her team worked together to respond to the crisis, in such a swift and thorough way, giving hope to many citizens in the Redcliffe area! Who would have thought that Redcliffe could flood like it did? It was an unprecedented event but Carmel's CHERT (Chameleon Housing Emergency Response Team) got together to access not only temporary accommodation to those affected in the Redcliffe area but over 350 meals, provided by local 'Breathe Easy' cafe ! That's absolutely amazing! Social workers also assisted with much needed support as well as QCAT assessments. It's so wonderful to know that people who really needed help were given the basic needs during and after such a crisis. The danger was real and Carmel's team acted. Congratulations to everyone on the team for such a massive effort!

We've just finished our 2nd week of the Christmas Trailer Raffle and sales are going really well. Ashley informed me that on Thursday last week, almost \$1000 worth of tickets were sold! Fantastic effort, team! Please let me know if you can assist any day until the 17th December as it is so important we fill in the Roster from 9 am until 5 pm.

If we support each other, we can use funds raised to 'Create Hope in the World'.

National Philanthropy Day This most generous of holidays was founded to promote and celebrate giving in all its forms. The festival is also a grassroots movement to praise and encourage kindness wherever it occurs. The aim of the celebration is actually twofold – to raise awareness of the importance of philanthropy, and encourage those not already involved to throw themselves into volunteer and charity work, and to acknowledge the efforts of those who already work to help their fellow humans, and deserve to be celebrated. Nobody has to be a philanthropist, but many choose to be, and make a world of difference in the world.
