PRESIDENT'S MESSAGE

Rotary 

Dear Club Members,

It was a fantastic meeting last week with a special guest appearance from Adel. A friend of Ossama and Deb, Adel was born in Egypt and before he settled in Australia as a young boy he learnt the skill of drumming , using traditional instruments such as Tablas, Bongos and Timbales. Music played a huge part in Adel's life and he continued to make music throughout his career in the Australian Defence Force. We were given a demonstration of the sounds created from the different drums and techniques used. Adel runs the "Joyful Drumming School" and we thank you, Adel for giving us joy through your music!

Our next meeting is our Annual General meeting and Club forum. Next Wednesday {29/11 /2023}we have booked a great social night out at the Redcliffe Harness Racing club ,Gomersall Road Redcliffe at 6 pm. It will be a lovely night to enjoy some time together!

Rotary quote for this week - The foundation upon which Rotary is built is friendship; on no less firm foundation could it have stood" - Paul Harris

2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

- **There is a species of spider called the Hobo Spider.**

Most bites from the Hobo Spider (*Tegenaria agrestis*) happen when the spider is accidentally crushed or squeezed by a human.

- **Honeybees can recognize human faces.**

We all thought that it was only large brained mammals could distinguish faces, but honeybees can do **this as well!** And they see faces in a compilation of 5,000 individual images – kind of like pixels.

- **The Battle of Hastings didn't take place in Hastings.** The famous Battle of Hastings actually took place 7 miles from Hastings in a town that is today known as Battle. Fitting, right?
