PRESIDENT'S MESSAGE
Rotary

Dear Club Members,

Welcome back again for another year of Rotary! Our first presentation for 2024 was from club member Ivor, who recently returned after a few weeks living and working aboard the cruise ships, Heritage Expeditions. Ivor was a guide on these trips, exploring the Subantarctic Islands of Australia and New Zealand, and also through the Solomon Islands and Vanuatu . This was a wonderful opportunity for Ivor and his wife Vivien, who accompanied him on one of the cruises . They experienced wonderful nature, animal and bird life and of course the culture of the people living in these areas.

Thanks, Ivor for your interesting and informative talk featuring a slide show of beautiful pictures of the areas few people see!

This week on Saturday we are rostered on to assist at the RARE warehouse at Alexandra Hills. This involves helping to pack health and educational materials into shipping containers going to developing countries. Start time is 8am Sat 27 Jan so if you can help for a couple of hours, that would be appreciated! I sent an email to all members last week for paperwork which needs to be read. Thanks!
