**PRESIDENT'S MESSAGE**  
**Rotary** 

**Dear club members,**

At our last meeting , District Governor Paul Roger and his wife Sue visited our club , on Paul's schedule of visiting all the clubs in District 9620. Paul gave us an insight into his life history, meeting Sue and his association with Rotary. He spoke so well, encouraging us on our Rotary Club journey, focusing on 'togetherness' as a way to support each other and our community. The importance of the ongoing upkeep of our strategic plan which can help us achieve our goals, supporting the Rotary Foundation and keeping us engaged on the 'My Rotary' website were also topics he discussed. It was wonderful to meet Paul and Sue and we thank them immensely for their visit!

This week Murray Thomson and Refugee Friends will be visiting our club which will be wonderful! It will be great to hear from some of the people the group is supporting in their journey adjusting to life in Australia.

Coming up soon! Discussion day on strategic plan update TBC
